Summary

Aspiring Front-end Developer and UI/UX Designer with a passion for creating engaging user experiences and intuitive digital interfaces. Recently embarked on a new chapter in my career, I am currently studying to expand my skills and knowledge in the field of Front-end Development (React/Angular) and UI/UX with Academy Xi.

Driven by curiosity and a desire for continuous growth, I am actively seeking opportunities to apply my creative problem-solving skills and collaborate with multidisciplinary teams. I am excited to leverage my diverse background to contribute to projects that enhance user satisfaction and drive business success.

As I immerse myself in the world of UI/UX and Front-end Development, I am dedicated to staying up-to-date with the latest industry trends and technologies. I am confident that my strong work ethic, adaptability, and commitment to learning will enable me to thrive in this dynamic and rapidly evolving field.

Experience

Frontend Developer Intern

Foodzone

Dec 2021 - Jun 2022 (7 months)

As a Frontend Developer intern, I have experience in building responsive and user-friendly interfaces using HTML, Tailwind CSS, and JavaScript. I have also worked with Firebase to integrate data and enhance the functionality of web applications. Additionally, I have an understanding of best practices in product management, ensuring that my work meets business goals and delivers value to users.

Restoration Manager

AJ Grant Building

Apr 2016 - Jan 2019 (2 years 10 months)

As a Restoration Manager in the General Insurance industry, I specialised in project management of construction restoration projects, asset management of specialist insurable items, and disaster recovery response for fires and floods. With a keen eye for detail and a commitment to quality, I worked closely with clients to ensure their properties are restored to pre-loss condition. My expertise in disaster response and asset management allows me to mitigate damages and minimise loss, delivering the best possible outcomes for my clients.

Police Officer

WA Police Force

Feb 2009 - Feb 2016 (7 years 1 month)

As a former Police Officer with the WA Police, I have gained extensive experience in managing complex situations, investigations, emergency management, community engagement and taking operational control of multi-agency search and rescue operations as a Land Search and Rescue Coordinator. During my 7 years of service, I developed strong leadership and communication skills, along with the ability to adapt to rapidly changing environments. I am proud to have served my community as a Police Officer.
